A detailed cadastral map of the Carros commune in the Alpes-Maritimes department. The map shows property boundaries, buildings, and infrastructure. A large area, primarily in the eastern and central parts of the commune, is highlighted in orange, representing the 'Périmètre d'Opération d'Intérêt National de la Plaine du Var'. This area includes the main urban center and surrounding rural plots. To the west of this orange-shaded area, the map shows a large, irregularly shaped white area, likely representing a natural space or a different administrative zone. The coastline is visible on the left side of the map, with the sea to the west. The map is oriented with North at the top, as indicated by the north arrow in the bottom left corner.
